Provision 5: Performance audits of \$1B or more projects before signing and including Vista Ridge

Existing projects and future projects, including related contracts and documents, that individually or in combination exceed \$1 billion shall undergo an independent performance audit within one year of adoption of this Charter Amendment or within one year of execution, as applicable, and in each case every five years thereafter. The performance audit shall conform to Generally Accepted Government Auditing Standards (GAGAS) for performance audits and shall include: (1) a management audit; and (2) an economic impact audit. The management audit shall determine the extent to which the project's governance and management structure creates risks to the City, SAWS, or SAWS ratepayers, and the extent to which these risks have been mitigated by insurance, bonds or other means. The economic impact audit shall include findings regarding the costs and benefits associated with the project, including without limitation long-term environmental impacts, reliability of the particular source of supply, and impacts on communities that depend upon that supply. 2. Will you commit to sponsoring – within the first 30 days of your election -- an ordinance for an independent performance audit of the Vista Ridge water pipeline project as outlined in Provision 5 of the SAWS Accountability Act?

yes
 no

Comment: **ABSOLUTELY**

3. We believe City’s fight against the SAWS petition has made a case for a stronger SAWS Accountability Act in the future – to “put the public back into our public utilities”. Will you join us in a call to elect the SAWS Board and to guarantee representation on the Board for all ratepayers, including those who live outside San Antonio? (Keep in mind we support geographic districts, otherwise known as single member districts, not at-large districts).

yes
 no

Comment: **ABSOLUTELY**

4. Do you support the right to petition for a public vote on city charter amendments, guaranteed by Texas Constitutional Amendment for Home rule since 1912? If so, would you support a public inquiry into the expensive legal actions taken by the City, SAWS and CPS in attempt to thwart petitioners for SAWS and CPS accountability, and will you pledge to call for such an inquiry within 30 days of your election? (For background use [this article in the San Antonio Report](#), outlining the litigation filed and withdrawn by SAWS before the Court was likely to rule against them. Note that CPS petitioners are also now appealing their case.)

yes
 no

Comment: **ABSOLUTELY, IT SHOULD ALREADY BE INCLUDED IN ANNUAL AUDITS!**
